**Goods to be supplied:**

Hardened bamboo plantlets developed through tissue culture(2 lakh No.);

Not less than 2 feet height; hardened in Tripura conditions for not less than 6 months; species-wise quantity as listed below:

Sl.No.	Name of Bamboo species	Number (in lakh)
1	Dendrocalamus asper	2

**Terms & Condition:**

- i. Only interested individuals/firms/companies technical expert and having sound financial condition will be eligible. For the purpose, copy of relevant documents in support of having technical facilities/personal and financial position shall have to be submitted with the offer.
- ii. The tender shall be submitted in two parts- a) Technical bid & b) financial bid, in two separated sealed envelopes. The offer for supply of hardened bamboo plantlets developed by the Tissue cultured should be prominently indicated in capital letters on the cover of the two sealed envelopes respectively.
- iii. The tenderers, who have supplied such materials not less than 1 lakhs number in a year during last 3 years, will be eligible. Copies of documents in proof of the supply made should be enclosed with the technical bid. This will be a necessary condition. Preference will be

given to tenderers who have supplied to any Government/  
Government assisted units.

- iv. A valid certificate from the Dept. of Bio-technology, Govt. of India for production of quality tissue cultured plant in the existing laboratory.
- v. The successful tenderer shall be required to start the development of bamboo plantlets within a month of getting order. The tissue cultured material shall be hardened in Tripura field condition for a period of not less than 6 months. The tenderer shall, however, have to make necessary preparation and development of the site of his/her own at his/her own cost.
- vi. The plantlets should be hardened for a period of not less than Six months in the Tripura field conditions. The tenderer shall have to take all necessary steps for hardening, maintenance/care, watch and ward of the material and the Department shall have no liability in case there is any damage.
- vii. The material shall be inspected at the bringing to Tripura and periodically during hardening. Technical advice given by the competent departmental officers in this regard shall have to be carried out by the tenderer.
- viii. The plantlets shall be raised and delivered under pathogen/disease-free condition.
- ix. Delivery of the plants shall be made in the 1<sup>st</sup> week of May, 2011.
- x. Earnest money of Rs.50, 000/- Shall have to be submitted along with tender in the envelope containing technical bid. The earnest money will be converted to security in respect of successful and shall be returned to the unsuccessful offers on completion of the tender process.

- xI. The hardened plantlets shall be supplied at the planting sites (as intimated by the TBM-IL & FS Cluster in due course) by the tenderer through his/her own arrangements.
- xII. Payment will be released based on the supply made after inspection by the authorities and certification of the quantity and quality of goods supplied. Any material, which is not as per specifications, shall be rejected and no payments shall be made for the same.
- xIII. The tenderer shall have to bear all tax/duties/levy, as per rules in force, of his/her own, which should be kept in view while submitting the offer.
- xIV. The tenderer shall give relevant technical details like origin of the parent stock material. Present location, last flowering observed in the stock, flowering frequency, supply record to other organizations in the last 3 years, contact address, telephone numbers of the firm and laboratories. The tenderer must conform to the Bamboo Tissue culture (BaTC) standards, as available on the website of Department of Biotechnology ([www.dbtncp.nic.in](http://www.dbtncp.nic.in)).
- xV. The offer indicating per unit rate of material to be supplied as per the specification shall be indicated in the financial bid. The rate shall be inclusive of all taxes/levies and expenditure to be included by the supplier (including transportation to the site).
- xVI. The tender in two parts-technical bid and financial bid, in two separate sealed covers, may be sent to the Manager, IL&FS-Clusters, at the address given below so as to reach on or before 15 days from the date of publication.
- xVII. The financial bids will be opened subsequently only for the tenderer(s), whose technical bid(s) would be found to be valid.
- xVIII. The undersigned reserves the right to reject any or all the offers without assigning any reason.
